## Subject: GE Foundation Scholar-Leaders Program (GEFSLP) Cohort XVII – Academic Year 2015 Competition

Dear Professor Thanarak:

On behalf of the General Electric (GE) Foundation and the Institute of International Education (IIE)/Thailand, I am pleased to inform you that Chiang Mai University has been selected to participate in the GE Foundation Scholar-Leaders Program.

Through this program, this year the GE Foundation will provide scholarships to 5 outstanding second-year students in Thailand who face financial difficulty in continuing their undergraduate studies. The Foundation aims to help students who could contribute to the development of Thai society through academic achievement in the fields specified on the enclosed eligibility guidelines.

Brochures with more information about the scholarship opportunity are enclosed with this letter. I am requesting your help in publicize this opportunity by distributing the brochures to students who meet the criteria for the scholarships.

Applications should be submitted online at <http://apply.scholarshipandmore.org> by Wednesday, April 15, 2015. Supporting Documents should be sent to:

**International Education/Southeast Asia**  
**6th Floor, Maneeya Center North Building**  
**518/3 Ploenchit Road, Pathumwan, Bangkok 10330, Thailand**

IIE Program Officer Ms. Maytiwa Thavornpinitham can provide more information about the scholarship program to students and others interested in the program. She can be reached at Tel: 02-652 0653 ext. 119; Facsimile at 02-652 0633; or e-mail at [MThavornpinitham@iie.org](mailto:MThavornpinitham@iie.org).

I appreciate your help in publicizing this exciting opportunity for students at Chiang Mai University.

Sincerely,

Jonathan Lembright  
Regional Director for Southeast Asia, Institute of International Education

Study in Taiwan - National Formosa University - Dean of OIA Dr. CH  
Hu                      Inbox x

Dear Professor Rome Chiranukrom,

Greeting. I am the Dean of Office of International Affairs at National Formosa University (Taiwan).

Right now, NFU is recruiting international graduate students for Spring semester 2015. We especially expect students graduated from the prestigious university like Chiang Mai University. Sincerely welcome your recommendation. The application form is attached. The introduction to NFU and IE department (I am the faculty member of IE) are also attached.

NFU also joints Elite Study in Taiwan (ESIT) for Taiwan-Thailand Elite 600 Scholarship Program; therefore, welcome program candidates apply for NFU admission by ESIT application system (esit.org.tw).

What's the purpose for NFU? We hope this program could help all students, including local Taiwan students, to build up international connection, to strengthen global mobility, and to provide international team work experience.

In addition, the qualified applicants could receive:

1. Tuition reduction or waiver.
  2. Dormitory fee reduction or waiver.
  3. Living expense stipend.
- (The final decision of scholarship award is determined by the NFU scholarship committee.)
4. Free Chinese courses.

Application deadline (by the postmark) for Spring semester 2015 (enroll in Feb. 2015):  
Before Nov. 30th 2014.

This is an opportunity for the students with adventure spirit and courage.

If there is any question, please contact me or:
